Objective

Graduate Software Developer with hands-on experience in web and mobile application development using modern frameworks. Strong foundation in software development principles, SQL databases, and version control. Experienced in building responsive applications and working in collaborative environments. Eager to grow in a structured engineering team and expand skills.

Skills

- Programming: Java, JavaScript
- Web Development: HTML, CSS, React, Vue
- Backend Development: Springboot
- Databases: SQL (queries, relational databases)
- Tools & Practices: Git, Version Control, Agile principles
- Other: Linux, Code Testing, Basic Blockchain concepts

Core Competencies

- * Problem-solving and analytical thinking
- * Understanding of software development fundamentals
- * Responsive web and mobile application development
- * System design and implementation
- * Team collaboration and communication

Experience

- **Plum Systems** January 2025 - December 2025
Web & Mobile developer (Intern)
 - Developed and improved responsive web applications using React for both desktop and mobile platforms
 - Collaborated with developers using Git for version control
 - Assisted in deployment and maintenance of applications
 - Contributed to improving user experience and application performance
- **HABATA** January 2024 - February 2024
General Worker
 - Operated basic machinery and equipment safely, following all safety protocols to maintain a hazard-free work environment.
 - Maintained clean and orderly work areas to promote safety and efficiency in the workplace.

Education

- **Cape Peninsula University of Technology** 2025
ICT in Applications Development
Diploma
- **Vusisizwe Secondary School** 2020
High School
Matric

Projects

- **CoParent**
 - * Designed and developed UI screens for web and mobile applications
 - * Focused on user experience and meeting client requirements
- **Car Accessories**
 - * Built a full-stack application using Spring Boot and React
 - * Implemented product listings and system functionality for online sales
